Own your life

Our slogan - Own your life - describes our values: respecting our customers' desires and cherishing equality. In practice it means that we, at Hovi Club, have a strong focus on making sure that your loved one has the skills and abilities to have an interesting and eventful life.

Memory Wellness

Brain training is a vital part of our Memory Wellness and Rehabilitation Program.

Dementia care is individually tailored based on your needs and personal interests. It is easier to become motivated when training is fun!

Social Wellness

Hovi Care's Social Wellness and Rehabilitation Program comprises a set of activities aimed at social rehabilitation as well as improving our clients' functional capabilities and social capacity to help the clients to integrate back to the society.

Physical Wellness

Our Physical Wellness and Rehabilitation Program reduces the risks and impacts on clients as they age.

The program could be coupled with other physiotherapy and Hovi Workout exercises and is often planned and tailored for individual needs.

Holistic Care

We offer seniors a selection of interesting weekly programs including social interaction, cognitive rehabilitation and physical rehabilitation.

Well-being is a combination of having good mental health, feeling well physically and healthy daily social connections.
