## **Own your life**

Our slogan - Own your life - describes our values: respecting our customers' desires and cherishing equality. In practice it means that we, at Hovi Club, have a strong focus on making sure that your loved one has the skills and abilities to have an interesting and eventful life.

## **Memory Wellness**

Your loved one will have a choice of interesting activities to choose from, ranging from outings to inspirational programs and entertainment.

Various activities help to keep fit. We will also take into consideration possible physical limitations.

## **Social Wellness**

We are enhancing the quality of life for everyone, both your family and your loved one.

Seamless social interaction will make sure that we understand your needs and your loved one will become a valuable member of an inspirational community.

## **Physical Wellness**

Your loved one will be surrounded with beautiful lush greenery providing a piece of nature and possibilities for outdoor activities.

Horsecity's horses and other animals will give a break from the hustle and bustle of the Singapore city.

## **Green Care**

A good quality of life is having a good mental state, healthy social connections, and strong physical well-being.

With nature on our side including connector park and roof-top garden, you can indulge in the natural and pleasant surroundings.
